SECTION 9-11 TRAVEL TRAILER PARKS

9-1101. Definition. As used in this article, the term travel trailer park means a campground for travel trailers, motor homes, camping trailers, recreational vehicles, camping tents and accessory service buildings and facilities for campgrounds.

9-1102. Where Permitted. A travel trailer park shall be allowed to locate only in the C-3 District and only upon issuance of a Conditional Use Permit issued in accordance with the provisions of this Article and Article 26.

9-1103. General Requirements.

- a. Any tract of land permitted as a travel trailer park after the effective date of these regulations must be at least five (5) acres in area.

- b. The applicant for a conditional use permit for a travel trailer park shall prepare and submit a schedule of construction, which shall provide for commencement of construction within a period of one (1) year following the approval of the permit by the Governing Body, and which shall provide that construction shall be completed within a period of two (2) years.
- c. The applicant shall prepare or cause to be prepared a development plan and shall present five (5) copies of said plan for review by the Planning Commission and Governing Body. This plot plan shall show the proposed development and shall conform with the following requirements:
 - 1. The travel trailer park shall be located on a well-drained site that is not subject to objectionable noise, smoke, odors, or other objectionable influences including unpredictable or sudden flooding. Exposed ground surfaces in all parts of the park shall be paved, covered with stone or other solid materials or protected with a vegetative growth capable of preventing and eliminating dust.
 - 2. Travel trailer parks shall have a maximum density of twenty (20) trailer spaces per acre. A minimum of one thousand two hundred fifty (1,250) square feet shall be provided for each trailer space.
 - 3. Each travel trailer space shall be at least twenty (20) feet wide and fifty (50) feet deep and shall have a clearly defined or marked border.
 - 4. Trailers shall be placed on each space so that there is at least a ten (10) foot clearance between trailers. No trailer or other structure shall be located closer than twenty (20) feet from any building within the park or from any property line surrounding the park, except where such property line is a public street. No trailer or other structure shall be located closer than twenty-five (25) feet from any public street.
 - 5. All parks shall be provided with safe and convenient vehicular access to each trailer space. Surfacing and maintenance shall provide a smooth, hard and dense surface which should be well drained and shall meet the following requirements:
 - (a) One-way, no parking, 15-foot width.

- (b) One-way, parking on one side only, 20-foot width.
 - (c) Two-way, no parking, 24-foot width.
 - (d) Two-way, parking on one side only, 27-foot width.
 - (e) Two-way, parking on both sides, 30-foot width.
6. All roadways and walkways within the travel trailer park shall be hard-surfaced and adequately lighted at night with electric lamps.
 7. A recreation area shall be provided at a central location in the park. The size of such recreation area shall be no less than two hundred (200) square feet for each trailer space in the park.
 8. A solid or semi-solid fence, wall, or evergreen hedge six (6) feet in height and having a visual density of at least ninety (90) percent shall be installed and maintained by the owner when the district abuts a residential zoning district except that said fence, wall, or hedge shall be reduced to forty-two (42) inches in height when located in a front yard. A district shall not be considered as abutting if it is separated by a street or alley right-of-way.
 9. One dwelling unit which may be a mobile home may be permitted on the site for the park operator.
 10. Travel trailer spaces shall be rented by the day or week only, and the occupant of a travel trailer space shall remain in the same travel trailer park area no more than thirty (30) days.
 11. A properly ventilated and constructed storm shelter shall be provided in a central or other convenient location within the travel trailer park. Each shelter size shall be equal to at least 21 square feet of shelter floor area per travel trailer space. Storm shelters shall be constructed in accordance with all applicable City-adopted building codes.

9-1104. Water Supply. An accessible, adequate, safe and potable supply of water shall be provided in each travel trailer park. Where a public supply of water is available, connection shall be made thereto and its supply used exclusively. The public health agency having jurisdiction shall approve all private sources of water.

9-1105. Sewage Systems. An approved sewage system shall be provided within each travel trailer park. Where a public sewage system is located within 500 feet of the boundary of the park, connection shall be made thereto. The appropriate health authority shall approve all private sewage systems. A sanitary disposal station shall be provided at the rate of one such station for every hundred (100) trailer spaces and shall be approved by the zoning administrator. Such stations shall be screened from other activities by visual barriers such as fences, walls, or natural growth and shall be separated from any trailer or adjoining property by a distance of at least fifty (50) feet.

9-1106. Electrical. Electrical wiring systems shall be installed in accordance with applicable City- adopted electrical codes. Main power lines not located underground shall be suspended at least eighteen (18) feet above the ground. There shall be a minimum of eight (8) feet of vertical clearance between any trailer and the overhead wiring.

9-1107. Service Buildings.

- a. A central service building containing the necessary toilet and other plumbing fixtures specified below shall be provided in travel trailer parks having camping spaces for units which do not have self-contained water and sewage systems. Such service buildings shall be located within a three hundred (300) foot radius of the spaces to be served

<i>Number of Spaces</i>	<i>Toilets</i>		<i>Urinals</i>	<i>Lavatories</i>		<i>Showers</i>		<i>Service Sink</i>

- b. Parks having more than one hundred (100) travel trailer spaces shall also provide: One additional toilet and lavatory for each sex for each additional forty (40) travel trailer spaces or fraction thereof; and one (1) additional men's urinal for each additional one hundred (100) travel trailer spaces or fraction thereof.
- c. Where a travel trailer park is designed for and exclusively limited to use by camping units with self-contained water and sewage systems, only the following minimum sanitary facilities shall be required: For each one

hundred (100) trailer spaces or fractional part thereof, there shall be one (1) flush toilet, one (1) lavatory, and one (1) shower for each sex.

9-1108. Solid Waste. The storage, collection and disposal of refuse in the travel trailer park shall be conducted so as to create no health hazards, rodent harborage, insect breeding areas, accident or fire hazards, or air pollution. All refuse shall be stored in flytight, watertight, rodent-proof containers, which shall be located not more than one hundred fifty (150) feet from any trailer space. All refuse shall be collected at least twice weekly.

9-1109. Open Fires. Cooking shelters, barbecue pits, fireplaces, wood-burning stoves and incinerators shall be so located, constructed, maintained and used as to minimize fire hazard and smoke nuisance both on the property on which used and on neighboring properties. No open fire shall be permitted, except in facilities provided by the park operator. No open fire shall be left unattended. No fuel shall be used and no material burned which emits dense smoke or objectionable odors.

9-1110. Register of Occupants. It shall be the duty of the park operator to keep a register containing a current record of all trailer owners and occupants located within the park. The register shall contain the following information:

- a. The name and address of each trailer owner or tenant.
- b. The name and address of each owner of a motor vehicle.
- c. The date of arrival and departure of each trailer.
- d. The license tag number of each motor vehicle.

The park owner, manager or caretaker shall keep the register available for inspection at all times by law enforcement officers, public health officials and other officials whose duties necessitate acquisition of the information contained in the register.
