INDEPENDENT AUDITORS' REPORT

To the Mayor and the City Commission
City of Fort Scott, Kansas

We have audited the accompanying summary statement of receipts, expenditures, and unencumbered cash balance, regulatory basis, of the City of Fort Scott, Kansas as of and for the year ended December 31, 2012 and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1 to meet the financial reporting requirements of the State of Kansas. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by the City of Fort Scott, Kansas to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City of Fort Scott, Kansas as of December 31, 2012 or changes in financial position or cash flows thereof for the year then ended.

Unqualified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance for the City of Fort Scott, Kansas as of December 31, 2012, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the Summary Statement of Receipts, Expenditures, and Unencumbered Cash Balance, Regulatory Basis (basic financial statement) as a whole. The Summary of Expenditures – Actual and Budget, Regulatory Basis, individual fund Schedules of Receipts and Expenditures – Actual and Budget, Regulatory Basis, and the Schedule of Expenditure of Federal Awards (Schedules 1, 2, 3, and the Federal Compliance Section as listed in the table of contents) is presented for analysis and is not a required part of the basic financial statement, however is required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide, and for purposes of additional analysis is required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-profit Organizations*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 29, 2013, on our consideration of the City of Fort Scott, Kansas' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Fort Scott, Kansas' internal control over financial reporting and compliance.

CITY OF FORT SCOTT, KANSAS

Notes to the Financial Statement
For the Year Ended December 31, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statement of the City of Fort Scott, Kansas has been prepared in order to show compliance with the cash basis and budget laws of the State of Kansas. The Kansas Municipal Audit and Accounting Guide (KMAAG), as approved by the director of the Kansas Division of Accounts and Reports, establishes the guidelines for the regulatory basis of accounting in the state of Kansas. The more significant of the City's accounting policies follow.

Nature of the Organization

The City of Fort Scott, Kansas (the City) was incorporated as a city of the first class on February 27, 1860, under the provision of K.S.A. 13-101 et seq. The City operates under a Commission-City Manager form of government and provides the following services as authorized by its charter: public safety (police and fire), highways and streets, water and sewer, health and social services, culture-recreation, education, public improvements, planning and zoning, and general administrative services. The City of Fort Scott, Kansas (the City) is a municipal corporation governed by an elected five-member commission.

Reporting Entity

This financial statement presents the City of Fort Scott, Kansas (the primary government) and its related municipal entities. Related municipal entities are included in the City's reporting entity because of the significance of their operational or financial relationships with the City.

Discretely Presented Related Municipal Entities. The related municipal entities section of the financial statement includes the financial data of the discretely presented related municipal entities. These related municipal entities are reported separately to emphasize that they are legally separate from the City. The governing bodies of these component units are appointed by the City.

1. Library Board - The City of Fort Scott Library Board operates the City's public library. Acquisition or disposition of real property by the Board must be approved by the City. Bond issuances must also be approved by the City.

The Fort Scott Housing Authority operates the City's housing projects. The Housing Authority can sue and be sued, and can buy, sell, or lease real property. Bond ordinances must be approved by the City. The Housing Authority's financial statements should be included with the City's financial statement. However, the statements are omitted in an apparent departure from generally accepted accounting principles.

There are no other separate entities related to the City which should be accounted for in the City's financial statement.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation - Fund Accounting

The accounts of the City are organized on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its cash, liabilities, fund equity, revenues and expenditures. The various funds are grouped by type in the financial statements. The types of funds maintained by the City are as follows:

General Fund - the chief operating fund used to account for all resources except those required to be accounted for in another fund.

Special Purposes Funds - used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital Project Fund - used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business Funds - funds financed in whole or part by fees charged to users of the goods or services (i.e. enterprise and internal service funds, etc.).

Trust Funds - funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

Regulatory Basis of Accounting and Departures from Accounting Principles Generally Accepted in the United States of America

The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

Regulatory Basis of Accounting and Departures from Accounting Principles Generally Accepted in the United States of America (Continued)

The basis of presentation described above results in a financial statement presentation that shows cash receipts, cash disbursements, cash and unencumbered cash balances, and expenditures compared to budget. Balance sheets that would have shown non-cash assets such as receivables, inventories and prepaid expense, liabilities such as deferred revenue and matured principal and interest payable, and reservations of the fund balance are not presented. Under accounting principles generally accepted in the United States of America, encumbrances are only recognized as a reservation of fund balance; encumbrances outstanding at year-end do not constitute expenditures or liabilities. Consequently, the expenditures as reported do not present the cost of goods and services received during the fiscal year in accordance with accounting principles generally accepted in the United States of America. Capital assets that account for the land, buildings, and equipment owned by the municipality are not presented in the financial statements. Also, long-term debt such as general obligation bonds, revenue bonds, capital leases, temporary notes, and compensated absences are not presented in the financial statement.

As discussed previously, the Fort Scott Housing Authority, a related municipal entity, has been omitted from this financial statement.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. As stated in Note 13, the General, Cell 911, and Rate Stabilization Funds were amended in 2012.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)
Budgetary Information (Continued)

All legal annual operating budgets are prepared using the cash basis of accounting, modified further by the recording of accounts payable and encumbrances. Revenues are recognized when cash is received. Expenditures include cash disbursements, accounts payable, and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budget expenditure authority lapses at year-end.

A legal operating budget is not required for certain special purpose funds, capital project funds, and trust funds.

Spending in funds which are not subject to the legal annual operating budget requirement are controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

Deposits and Investments

Deposits and investments include checking accounts, money market checking accounts, and the state of Kansas Municipal Investment Pool. Kansas statutes permit investment in time deposits and the Kansas Municipal Investment Pool.

Property Taxes

In accordance with governing state statutes, property taxes levied during the current year are a revenue source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and become a lien on the property on November 1st of each year. The County Treasurer is the tax collection agent for all taxing entities within the County. Property owners have the option of paying one-half or the full amount of taxes levied on or before December 20th during the year levied with the balance to be paid on or before May 10th of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes collected in the year levied prior to January 1st of the ensuing year. Consequently, for revenue recognition purposes, taxes levied during the current year are not due and receivable until the ensuing year. At December 31st, such taxes are a lien on the property.

Special Assessments

Kansas statutes require projects financed in part by special assessments to be financed through the issuance of general obligations bonds which are secured by the full faith and credit of the City. Special assessments paid prior to the issuance of general obligation bonds are recorded as revenue in the appropriate project. Special assessments received after the issuance of general obligation bonds are recorded as revenue in the bond and interest fund. Further, state statutes require levying additional general ad valorem property taxes in the City Bond and Interest Fund to finance delinquent special assessments receivable.

Accordingly, special assessments are accounted for within the City Bond and Interest Fund. Special assessments are levied over a ten or fifteen-year period and annual installments are due and payable with annual ad valorem property taxes. The City may foreclose liens against property benefited by special assessments when delinquent assessments are two years in arrears. At December 31, the special assessment taxes levied are a lien on the property.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Long-Term Obligations

Long-term debt is recognized as a liability of a governmental fund when due, or when resources have been accumulated in the debt service fund for payment early in the following year. For other long-term obligations, only that portion expected to be financed from expendable available financial resources is reported as a fund liability of a governmental fund. The remaining portion of such obligations is reported in the general long-term debt account group. Long-term liabilities expected to be financed from proprietary fund operations are accounted for in those funds.

Compensated Absences

All regular full-time employees are eligible for vacation benefits. Employees are allowed to accumulate and carry forward a maximum of 160 hours (12 shift days for Fire Department Personnel). Hours accumulated and not taken in excess of these limits at December 31 of each year are lost by the employees. New employees must work a minimum of six months to utilize earned vacation benefits. Unused vacation benefits are paid to employees when employment with the City terminates.

All regular full-time employees are also eligible for sick leave benefits. All regular full-time service employees with 12 years of continuous service will be paid for half of accumulated sick hours on the books upon death or retirement. Unused sick leave benefits are lost when employment with the City terminates unless due to death or retirement. Employees accrue sick leave at the rate of 10 days per year with a maximum of 120 days (six shift days per year with a maximum of 72 shift days for Fire Department Personnel). The City accrues a liability for compensated absences that meet the following criteria:

1. The City's obligation relating to employees' rights to receive compensation for future absences is attributable to employees' services already rendered.
2. The obligation relates to rights that vest or accumulate.
3. Payment of the compensation is probable.
4. The amount can be reasonably estimated.

In accordance with the above criteria the City has accrued a liability for vacation and sick pay which has been earned but not taken by City employees.

Pension Plan

Substantially all full-time City employees are members of the State of Kansas Public Employees Retirement System or the State of Kansas Police and Firemen's Retirement System, both of which are multi-employer statewide pension plans. The City's policy is to fund all pension costs accrued; such costs to be funded are actuarially determined annually by the State.

Termination and Post Employment Benefits

No termination benefits are provided to City employees when employment with the City ends except for the accrued compensated absences as discussed in Note 1.

As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the local government is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in these financial statements.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)
Termination and Post Employment Benefits (Continued)

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the government makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the City under this program.

2. **COMPLIANCE, STEWARDSHIP, AND ACCOUNTABILITY**

Compliance With Kansas Statutes

The financial statement is designed to show compliance with the cash basis and budget laws of Kansas. As shown on Statement 1, several funds show negative unencumbered cash balances in apparent violation of the Kansas cash basis law. However, these are apparently not violations of the cash basis law due to numerous grant money receivables as of December 31, 2012.

3. **DEPOSITS AND INVESTMENTS**

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices, but has limited the investments to time deposits at the local bank and the Kansas Municipal Investment Pool.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The City does not have any "peak periods" designated.

At December 31, 2012 the City's carrying amount of deposits was \$6,692,378.78 and the bank balance was \$6,879,272.73. The bank balances were held by several banks resulting in a diversification of credit risk. Of the bank balance, \$311,366.09 was covered by federal depository insurance, and \$6,567,906.64 was collateralized with securities totaling \$6,777,636.63 held by the pledging financial institutions' agents in the City's name.

3. DEPOSITS AND INVESTMENTS (Continued)

At December 31, 2012 the City had invested \$2,045,027.70 in the State's municipal investment pool. The Pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

4. LONG-TERM OBLIGATIONS

General Obligation Bonds

General Obligation Bonds are direct obligations and pledge the full faith and credit of the City. The City issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. General obligation bonds have been issued for both general government and proprietary activities. These bonds therefore are reported in the proprietary funds if they are expected to be repaid from proprietary revenues.

Debt Service Requirements

Future requirements of principal and interest are recorded in Note 14. Additional disclosures for revenue bonds are as follows:

YEAR ENDED DECEMBER 31,	PRINCIPAL	INTEREST	TOTAL
2013	\$ 79,892.00	\$ 230,792.68	\$ 310,684.68
2014	82,842.00	227,300.81	310,142.81
2015	86,875.00	223,605.02	310,480.02
2016	90,641.00	219,797.49	310,438.49
2017	94,190.00	215,612.36	309,802.36
2018 TO 2022	540,160.00	1,011,323.51	1,551,483.51
2023 TO 2027	671,241.00	879,427.10	1,550,668.10
2028 TO 2032	835,553.00	715,397.34	1,550,950.34
2033 TO 2037	1,040,609.00	510,920.87	1,551,529.87
2038 TO 2042	1,166,370.00	256,322.83	1,422,692.83
2043 TO 2047	507,538.00	44,048.74	551,586.74
	<u>\$ 5,195,911.00</u>	<u>\$ 4,534,548.75</u>	<u>\$ 9,730,459.75</u>

Industrial Revenue Bonds

The City has entered into various agreements to induce businesses to locate or expand operations in Fort Scott, Kansas. In connection therewith, the City has issued industrial revenue bonds (IRB's), which require the businesses to make lease payments to trust accounts sufficient to pay debt service on the IRB's. The City is under no obligation to pay the IRB debt, which is to be paid from the lease payments made by the related businesses. At December 31, 2012, there was one industrial revenue bond issue to two local businesses with principal balances due totaling \$125,000.

Compensated Absences

Compensated absences are accrued as detailed in Note 1. Accrued compensated absences as of December 31, 2012, consisted of vacation and sick pay in the amount of \$497,609.01.

5. DEFINED BENEFIT PENSION PLANS

Plan Description

The City participates in the Kansas Public Employees Retirement System (KPERS), and the Kansas Police and Firemen's Retirement System (KP&F). Both are part of a cost-sharing multiple-employer defined benefit pension plan as provided by Kansas law. KPERS and KP&F provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report (only one is issued) that includes financial statements and required supplementary information. Those reports may be obtained by writing to KPERS (611 S Kansas, Suite 100; Topeka, Kansas 66603) or by calling 1-888-275-5737.

Funding Policy

K.S.A. 74-4919 and K.S.A. 74-49, 210 establishes the KPERS member-employee contribution rate. Effective July 1, 2009 KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. Tier 1 members are active and contributing members hired before July 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. Kansas law established the KPERS member-employee contribution rate at 4% of covered salary for Tier 1 members and at 6% of covered salary for Tier 2 members. K.S.A. 74-4975 established KP&F member-employee contribution rate at 7% of covered salary. The employer collects and remits member-employee contributions according to the provisions of section 414(h) of the Internal Revenue Code. Kansas law provides that the employer contribution rates be determined annually based on the results of an annual actuarial valuation. KPERS and KP&F are funded on an actuarial reserve basis. Kansas law sets a limitation on annual increases in the employer contribution rates. The KPERS employer rate established by statute is 8.34% from January 1, 2012 to December 31, 2012. The City's employer contributions to KPERS for the years ending December 31, 2012, 2011, and 2010, were \$149,972.32, \$136,230.31, and \$131,257.46, respectively, equal to the statutory required contributions for each year. The KP&F uniform participating employer rate established for the calendar year 2012 is 16.54%. Employers participating in KP&F can also make contributions to amortize the liability for past service costs, if any, which is determined separately for each participating employer. The City has chosen to do this and, accordingly, paid a rate of 22.13% for 2012. The City's contributions to KP&F for the years ending December 31, 2012, 2011, and 2010, were \$255,951.96, \$239,846.74, and \$215,678.33, respectively, equal to the statutory required contributions for each year.

6. SALES TO MAJOR CUSTOMER - ENTERPRISE FUNDS

During 2012, approximately 43% of the total cubic feet of water and 33% of water sales in the Water Utility Fund were to Consolidated Rural Water District #2, Inc., Bourbon County, Kansas.

7. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The City manages these risks of loss through various insurance policies. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three years.

8. DISCLOSURES FOR RELATED MUNICIPAL ENTITIES

FORT SCOTT PUBLIC LIBRARY

The Library's basis of accounting is the same as the City's basis as described in Note 1. The Library is not subject to the budgetary statutes applicable to Cities in the State of Kansas. Copies of the Library's financial statements may be obtained at the Fort Scott Public Library. Cash consists of deposits in bank accounts fully secured by FDIC insurance. The Library participates in the KPER's retirement system referred to in Note 5. The Library's employer contributions for 2012, 2011, and 2010, equaled \$12,343.24, \$11,131.84, and \$10,289.56, respectively. The Library manages exposure to various risks of loss due to torts; theft of, damage to, or destruction to assets; errors and omissions; and injuries to employees: employees health and life; and natural disasters by purchasing various insurance policies.

9. INTERFUND TRANSFERS

Operating transfers were as follows:

<u>Transfer To Fund</u>	<u>Transfer From Fund</u>	<u>K.S.A. Statutory Authority</u>	<u>Amount</u>
Police AARA Grant	General	(2)	\$ 200.00
Special Streets	General	(2)	115,000.00
Equipment Reserve	General	12-1, 117	65,000.00
General	Promotion of Industry	(2)	25,000.00
General	Rate Stabilization	(2)	23,141.96
General	Water	12-825d	200,000.00
E911 Telephone Tax	Cellphone	(3)	98,432.10
General	Sewer	12-825d	130,000.00
Capital Improvement	General	12-1, 118	165,000.00
General Bond and Interest	Street & Sidewalk Project	(1)	228,104.31
General Bond and Interest	Bridge Project	(1)	47,524.17
Water Utility	Water Project	(1)	10,346.15
Sewer Bond Reserve	Sewer Utility	(1)	31,044.00

The Transfers noted with (1) is to transfer the remaining unused bond proceeds to the Debt Service Fund to pay the debt.

The Transfers noted with (2) are actually reimbursed expenses.

The Transfers noted with (3) are actually transfers to combine two funds into one.

10. CAPITAL PROJECTS

Capital projects with approved change orders compared with expenditures from inception are as follows:

	<u>Expenditures To Date</u>	<u>Project Authorization</u>
Street Improvements Projects (KDOT)		
(Funds 66) - Still in Progress		
KDOT Revolving Loan		\$ 400,000.00
GO Bonds		1,851,123.57
Revenue Bonds		277,000.00
KDOT Grant		1,400,000.00
Other Receipts		120,329.00
Totals	<u>\$3,834,293.44</u>	<u>\$ 4,048,452.57</u>

10. CAPITAL PROJECTS (Continued)

	<u>Expenditures To Date</u>	<u>Project Authorization</u>
KLINK Wall Street Project (Fund 68) - Still in Progress		
KDOT Revolving Loan		\$ 400,000.00

GO Bonds		\$ 436,327.00
Temporary Notes		\$ 329,326.80
Totals	<u>\$ 765,648.80</u>	<u>\$ 765,648.80</u>

11. CONTINGENCIES

Grants are subject to additional audits by regulatory agents, the purpose of which is to ensure compliance with the specific conditions of the grants. Any liability for reimbursement which may arise as a result of the audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material and would not be payable by the City.

12. SUBSEQUENT EVENTS

Management has evaluated events and transactions occurring subsequent to December 31, 2012 through the date of the issuance of the financial statements as shown in the Independent Auditors' Report on page two of this financial statement. During this period, there were no subsequent events requiring recognition in the financial statement or disclosure in the notes to the financial statement.

13. BUDGET AMENDMENTS

<u>General Fund</u>	<u>Original Budget</u>	<u>Amended Budget</u>

Notes to the Schedule of Expenditures of Federal Awards:

(1) Receipts consist of money actually received during the year ended December 31, 2012. Expenditures are recorded on the modified accrual basis of accounting, which records expenses when the goods or services are recieved, plus accounts payable. Expenditures for these programs differ from the City's regulatory basis financial statements inasmuch as the City records expenditures when an encumbrance or contract is signed in accordance with the regulatory basis of accounting, whereas expenditures on the financial reports are recorded when the goods or services are received.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To the Mayor and the City Commission
City of Fort Scott, Kansas

Report on Compliance for Each Major Federal Program

We have audited the City of Fort Scott, Kansas' compliance with the types of compliance requirements described in the *OMB Circular A-133* that could have a direct and material effect on each of the City of Fort Scott, Kansas' major federal programs for the year ended December 31, 2012. The City of Fort Scott, Kansas' major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditors' Responsibilities

Our responsibility is to express an opinion on compliance for each of the City of Fort Scott, Kansas' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Fort Scott, Kansas' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City of Fort Scott, Kansas' compliance.

Opinion on Each Major Federal Program

In our opinion, the City of Fort Scott, Kansas, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2012.

Report on Internal Control Over Compliance

Management of the City of Fort Scott, Kansas is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City of Fort Scott, Kansas' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Fort Scott, Kansas' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Mayor and the City Commission
City of Fort Scott, Kansas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States the financial statement of the City of Fort Scott, Kansas, as of and for the year ended December 31, 2012, and the related notes to the financial statements, which collectively comprise the City of Fort Scott, Kansas' basic financial statement, and have issued our report thereon dated May 29, 2013.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the City of Fort Scott, Kansas' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the City of Fort Scott, Kansas' internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Fort Scott, Kansas' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. A *significant deficiency*, is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Fort Scott, Kansas' financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

DIEHL, BANWART, BOLTON, CPAs PA

May 29, 2013
Fort Scott, Kansas

**CITY OF FORT SCOTT, KANSAS
FORT SCOTT, KANSAS**

**Schedule of Findings and Questioned Costs
For the Year Ended December 31, 2012**

SUMMARY OF AUDITORS' RESULTS

1. The auditor's report was adverse for departures from accounting principles generally accepted in the United State of America due to the preparation of the financial statements in accordance with the Kansas regulatory basis of accounting. An unqualified opinion on the regulatory basis of accounting financial statement was issued.
2. There were no internal control deficiencies disclosed during the audit of the financial statement as reported in the Independent auditor's report on internal control over financial reporting and on compliance and other matters based on an audit of the financial statements performed in accordance with "Government Auditing Standards".
3. No instances of noncompliance material to the financial statement of the City of Fort Scott, Kansas were disclosed during the audit.
4. There were no reportable conditions in internal control over major Federal award programs disclosed during the audit.
5. The auditors report on compliance for the major Federal award programs for the City of Fort Scott, Kansas expresses an unqualified opinion on all major Federal programs.
6. Audit findings that are required to be reported in accordance with Section 510(a) OMB Circular A-133 are reported in this schedule.
7. The programs tested as major programs included the following:

<u>CFDA #</u>	<u>NAME OF PROGRAM</u>
81.128	DOE Formula Grant

8. The threshold for distinguishing types A and B programs was \$300,000.
9. The City of Fort Scott, Kansas was determined to be a low-risk auditee.

FINDINGS – FINANCIAL STATEMENTS AUDIT

None Reported

MATERIAL WEAKNESSES IN INTERNAL CONTROLS OVER FINANCIAL REPORTING

None reported

FINDINGS AND QUESTIONED COSTS – MAJOR FEDERAL AWARD PROGRAMS

None reported.
